Visit of Shri Upendra Tripathy, Hon'ble Advisor, OAVS to OAV Satrusola , OAV Baurigandapalli & OAV Hatiota

“ विनु सतसंग बिबेक न होई । राम कृपा विनु सुलभ न सोई ” - Goswami Tulasi Das,
The Doha of Ram Charit Manas ascribed supra depicts that “conscience only can be achieved by companion of great people and it isn't possible without divine grace.” Indeed, it was an auspicious day for Odisha Adarsha Vidyalaya Satrusola, when, in a fine afternoon of autumn Hon'ble Advisor Sir of OAVS, Bhubaneswar Shri Upendra Tripathy graced the Vidyalaya with his august presence. It was a moment to cherish and preserve forever when, amidst galaxies of dignitaries like Hon'ble Sub-collector, Chhatrapur, District Education Officer Ganjam, Block Education Officers and other state government officials accompanying Shri Upendra Tripathy sir stepped in to the Vidyalaya on 9th Sep 2023. Mrs.Madhuri Maharana, Principal of the Vidyalaya extended a warm welcome to the guests.

Shri Upendra Tripathy Sir and his esteemed team addressed different issues related to academic and administrative matters of the Vidyalaya. Sir inspected different ongoing construction works inside the campus of the Vidyalaya and instructed the concerned authorities to expedite the construction process and handover the buildings and infrastructure at an early date. Sir visited all the class rooms and interacted with the students of the Vidyalaya. He encouraged the students to dream big. Dedication is the key to success, to lead in an un-laid out path and shine amid adversities makes one great. Giving the example of Mythological character Ekalavya, Shri Tripathy urged the students to adhere to the values of our ancient texts. He touched the tender minds of students and filled it with the enthusiasm and passion to be a leader in the future. He encouraged the pupils to pursue career in administration and be one of the best IAS officers in the not so distant future. His witty quotes, illustrations and pearls of wisdom gave a deep impact on the heart, mind and soul of the students. Also Shri Upendra Tripathy Sir aired few high quality questions and rewarded with cash prize to the students who gave correct answers.

Hon'ble Adviser Sir also visited to OAV Baurigandapalli, Khallikote Dist-Ganjam same day and took stocks of the situation. He motivated the Principal and staff members for the better academic results. He also expressed his desire for having a beautiful playground for the school for sportive activities of the students of the Vidyalaya.

Honourable Advisor Sir visited OAV, Hatiota, Polasara, Ganjam on 18.09.2023. He interacted with the students of Class X and XII and created an enthusiasm among them about Civil Services Examinations, NDA, JEE, and NEET. He shared his schooling experiences and talked about some life skills as well. His appreciation towards non-teaching staff members was quite remarkable. At last, he appealed all the staff members to maintain the good track records of this school as done before.

**Editor in Chief- Smt. Yamini Sarangi, IAS
State Project Director, OAVS**

VISIT OF ESTEEMED JOINT DIRECTOR, SMT. BANDANA MAHAPATRA TO OAV MALLIKAPUR & OAV MAHISAPAT

Students of OAV Messingput, Lamtaput got first prize in District Level Science Seminar, Koraput & got selected for State Level Science seminar -2023.

Indian Institute of Mass Communication Journalism (IIMC) Dhenkanal-Pride of Odisha

Prafulla Kumar Mohanty
Principal, OAV Kamakshyanagar

Indian Institute of Mass Communication(IIMC), Dhenkanal; Eastern Regional campus is the 2nd Largest Premier Institute of our country in the field of Mass communication & Journalism prior to IIMC Delhi established in the year 1965.

In Dhenkanal it was established in the year 1993 with the noble initiative of Mr. K.P. Singh Deo, former Minister Information & broadcasting Govt. of India. It is situated at the district headquarter of Dhenkanal which is around 80 kms north of Bhubaneswar, the capital city of Odisha. Dhenkanal, tribal hinterland of central Odisha is well connected by both rail and road.

Initially it started its journey from a private rented house situated at Surpratap Smruti Pitha, Kunsakanta with a regular PG course and intake capacity of 40. This is one of the leading institutions in our country in the field of Mass communication and Journalism which caters the needs of Print & Electronic Media not only of our country but also abroad.

In 2000 it shifted to its permanent campus measuring 7.5 acres situated at the valley of Paniohala (meaning "hanging water" in Odia) full of tall trees, beautiful garden, picturesque back drop & hilly terrain.

In the year 2001 IIMC introduced the Odia Journalism course with an intake capacity of 15. In between more than 25 years have passed and in this time the no. of seats have considerably increased to 62 and 23 both in English & Odia. With the passage of time this Institution has passed through many ups and downs. Many professors and visiting professors, students and eminent personalities have visited this Institution. A lot of appreciation and several accolades are associated with the path of this Institution. Students who obtained their degree from this Institution have established themselves in different institutions of National & International repute and earned name and fame for them and for this institution as well.

This institution continues to ignite the young budding talents of our country without any hesitation not only for the years to come but also for ever.

Being a member of this mother land I feel proud of such an institution in our state.

NAVIGATING THE MAZE OF CAREER OPPORTUNITIES IN MODERN AGE

Akhilesh Bishi

Class-IX, OAV Masanimunda, Kesinga

In an era marked by rapid technological advancements, shifting economic landscapes, and evolving societal norms, the concept of a traditional career has taken on a whole new meaning. Gone are the days when a single profession was expected to define a lifetime. Today, the world is a vast playground of possibilities, where career opportunities are as diverse as the people who pursue them. Let's embark on a journey through the labyrinth of modern career opportunities, where uncharted territories beckon the adventurous and the adaptable.

1. The Gig Economy:

Welcome to the era of flexibility and independence. The gig economy has opened up a world of opportunities for individuals seeking to shape their own careers. Whether you're a freelance writer, graphic designer, or digital marketer, the gig economy provides a platform for you to offer your skills and services to a global audience. It's a realm where the 9-to-5 grind is replaced by autonomy and the potential for multiple income streams.

2. Tech Wonderland:

Technology is the beating heart of the modern world, and it offers a treasure trove of career possibilities. From software development to data science, artificial intelligence to cybersecurity, the tech industry is a goldmine for those with the right skills. The demand for tech-savvy professionals is insatiable, and the opportunities are boundless.

3. Green Careers:

As the world grapples with climate change, green careers are on the rise. Sustainability is no longer a buzzword but a way of life. Careers in renewable energy, sustainable agriculture, eco-friendly architecture, and environmental conservation are not just noble pursuits; they are also incredibly rewarding in terms of personal fulfillment and societal impact.

4. Creative Expressions:

The age-old adage, "Do what you love, and you'll never work a day in your life," holds true in the creative sphere. Whether you're an artist, musician, filmmaker, or writer, the modern world values creative expression like never before. With the internet as your canvas, you can showcase your talent, connect with a global audience, and even monetize your art.

5. Healthcare and Wellness:

The importance of health and well-being has taken center stage, and careers in healthcare and wellness have never been more crucial. From healthcare professionals to wellness coaches, mental health advocates to fitness gurus, this sector offers fulfilling careers that directly impact people's lives for the better.

6. Entrepreneurship:

In the modern world, becoming your own boss is a viable career path. Entrepreneurship is about seizing opportunities, taking risks, and shaping your destiny. Whether it's launching a tech startup, a small café, or an e-commerce empire, entrepreneurship allows you to create something from nothing.

7. Education and Lifelong Learning:

The pursuit of knowledge knows no age limits. The field of education offers opportunities not only for teachers but also for edtech entrepreneurs, online course creators, and lifelong learners. With the advent of online education, the classroom has expanded to encompass the entire world.

8. Global Opportunities:

The world has become a global village, and careers are no longer confined by borders. International job opportunities, remote work, and digital nomadism have shattered geographical constraints. You can work for a company on the other side of the world without leaving your living room.

9. Social Impact Careers:

For those driven by a desire to make a difference, careers in the social impact sector offer a chance to change the world. Nonprofits, NGOs, and social enterprises tackle pressing global issues, and they require passionate individuals to drive change.

10. Adaptability is Key:

In this ever-evolving landscape, adaptability is the most valuable skill of all. The ability to learn, unlearn, and relearn is essential for navigating the complex world of modern careers. Stay curious, embrace change, and be open to new opportunities.

In conclusion, the world of career opportunities in the modern age is an expansive playground with something for everyone. Your career can be a reflection of your passions, values, and aspirations. It's a world where the traditional career ladder has transformed into a dynamic network of bridges, tunnels, and even jetpacks, allowing you to chart your own path. So, dare to dream, explore, and seize the multitude of opportunities that await in this brave new world of work. Your career journey is limited only by your imagination and determination.

Career Opportunities in Today's World

Having a fulfilling career is an important part of your well-being. A crucial step while charting your career path is to identify and choose the right opportunities. Choosing a career opportunity becomes easier when you know what options you have. In this article, we answer "What are career opportunities?", explore some examples of such opportunities and outline some steps for how to find the right ones for a successful career.

What are career opportunities?

Career opportunities refer to any opportunities that take you closer to your career goals. This can be a job, an internship opportunity or a training programme that helps you excel in your career. You may have opportunities to advance your career within an organisation or you may take a job in a different company for career advancement. Some people build their career in a particular industry, such as construction or IT, while others may work in different sectors throughout their career. Examples of career opportunities in different sectors. Career opportunities are available across industries. Here are some common types of career fields and examples of career opportunities within each category:

CHOOSING CAREER OPPORTUNITIES

The opportunities which take us to our career goals are known as career opportunities this can be a job or training program. Some people work in a particular industry as an employee or in "INFORMATION TECHNOLOGY". Some build their future with an organization and in different sectors.

There are different types of career opportunities like Finance, Hospitality, Communication, Art and Design, Business, Politics, Tourism, Agriculture, Education, Government or Private services, Science and Technology etc.

The "Government Services" are like military, civil service, lawyer, police, doctors etc. We can improve our career with these government services. Nowadays the people are inclined towards government services because more facilities are available in the government services which are provided by the government to the employees than offered in a private job.

We can make our future with the sector of "Design and Art". This gives us a chance to work with the emotion and expressions through the art, colour and design. In the sector of design and art we have to think creatively to perform an art. This started in India from 'INDUS VALLEY CIVILIZATION'. The jobs included in this sectors are: Visual artist, Art educator, Graphic designer, Cartoonist, Animator, Set designer etc.

We can involve our career in the sector of "Education". In this Sector we have to engage in a particular subject. Some jobs which are included in the sector of Education are - Teacher, Trainer, Expert, Lecturer etc.

We can also involve in the "Science, Mathematics and Technology". We can improve our career by researching on anything. We can also involve in scientific discoveries, Mathematics and Technologies for day today's world like 'ARTIFICIAL INTELLIGENCE'. Some opportunities which are included in this field are- Scientists, Mathematicians, Software engineers, Data scientists etc.

Stress: A parasite for students

PAYAL PANDA
PGT ENGLISH, OAV TARANDO, KENDRAPARA

According to Stanley Hill, "Adolescence is the period of stress and strain." Nowadays stress is the common used word among the teenagers. It can be defined as our physical and mental responses to some external event. Internal stress results in "anxiety" which involves persistent feelings of dread or abrasions that traumatizes our daily life.

Now the question arises:

Why the Adolescence are stressed?

It is because their body is changing, lack of gender identity, want to attention and many external and social pressure. Some of the common triggers of stress in teenagers might be anxiety to perform well in academics. Even sometimes family issues also adds fuel to the fire.

- * Let's learn from signs of stressed individuals:
- * Feeling agitated and anxious most of the time
- * Having more of headache and pains
- * Feeling lonely and succumbed to isolation
- * Trouble in concentration and feeling diverted
- * Showing sudden change in emotions.
- * Let's clear the doubt whether it's a disease or a natural phenomena:

Stress is a normal part of life and when a stress motivates you to do something desirable it is called "Eustress" and can help you get energized and excited but it also acts as a parasite slowly eating away your mental health if not checked within proper time.

The best technique for teens to manage stress:

A few techniques that might help as a stress reliever are such as Deep breathing, Meditation, Channeling energy to sports, Pursuing passion in music, art and theater, keeping a journal, making sure to get enough sleep, doing exercises etc. Sometimes even gardening or visiting a park helps to soothe our mind.

Lastly with so many life changing moments ahead, getting through high school happy and whole can definitely feel challenging at times. Still the young minds have to adopt the strategies above, take a deep breath and remember, **It's not Forever!**

GURU

ANIL KUMAR BHOI
TGT ENGLISH OAV NUAGAON, SUNDARGARH

In HINDI, you are called Guru.
One who removes the darkness. You endlessly shape me, And I seek your bless.

You are the priceless treasure, That I never want to lose. You are the greatest gift from god. The world cannot refuse.

I was a mere bud,
You sprinkled some water of guidance.
Now, I am a happy blossom.
You removed all the ignorance.

I am just a moon, And you are the sun.
Your rays enlighten me,
Any words are less for your admira on

I want to be Something

Swadhini Kumar Saha
CLASS-IX OAV Parmanpur, Maneswar, Sambalpur

Once I went to school
My mind was very thoughtful.
When I reached to school, I saw my teacher.
While he entered the class, all stood shaken with fear.
I told my mother I wanted to be a teacher.

When I went to park, I saw a police catch a thief
And putting in the jeep, also charging with the stick.
I thought I would like to be a police.

When I watched TV, I saw Amir in movie GHAJINI
I thought I would become an actor and earn lot of money.

When I saw a pilot with his helicopter
I wanted to be a pilot and fly helicopter

When I saw Virat and Shereyas
I wanted to be a player.

When I saw a hacker
I wanted to be a software engineer.

When I saw ISRO scientists with Chandrayana -3
I wanted to be a scientist in the science tree.

My mother said later you will be something,
First be a good human being.

MY SCHOOL

Laxmi Priya Swain
Class -XB OAV, Suanpada

My school
What a place so cool
From all aspects she is beautiful
Teachers act as friends here
Making good citizens is her goal.

My school
What a place so cool
Caring and helping a place you call
Future is bright here
I bet, you will never feel so dull.

My school
What a place so cool
Lesson seems fun for all
Learning is joy here
No body can forget her once and for all.....

OPPORTUNITY WORLD

Sneha Pradhan
OAV Sipasarubali, Brahmagiri, Puri

World gives you the opportunity
So, the great works with ability

Opportunity can make your career
If you do the best at it as a learner

People can say anything for your future
But you have to focus on your goals as a believer

Opportunity you have a lot
But don't do its misbehave by giving someone hurt

If you want to be the best
Then take your goals and names to the crest

भारत का अंतिम हिंदू समाट: पृथ्वीराज चौहान

प्रज्ञान

पृथ्वीराज चौहान एक महान हिंदू शासक थे। कवि चंद्रबरदाई द्वारा रचित पृथ्वीराज रासो महाकाव्य में यह पुष्टि की गई है कि पृथ्वीराज चौहान भारत के अंतिम हिंदू शासक थे। जिनका शासन काल सन् 1178 से 1192 तक माना जाता है। पृथ्वीराज चौहान का जन्म अजमेर के महाराज सोमेश्वर के यहाँ हुआ था। उनकी माता का नाम कपूरी देवी था। जिन्हें पूरे बारह वर्ष के बाद पुत्र रत्न की प्राप्ति हुई थी। पिता की मृत्यु के बाद सिर्फ 11 वर्ष की आयु में ही उन्हें अजमेर के सिंहासन पर बैठना पड़ा। दिल्ली के राज सिंहासन की गद्दी संभालने के बाद पृथ्वीराज चौहान ने किला राय पिथौरा को बनवाया था। उन्होंने सिर्फ 13 साल की उम्र में ही गुजरात के पराक्रमी शासक भीम देव को युद्ध में हरा दिया था।

सन् 1191 में थानेश्वर से 14 मील दूर और सरहिंद के किले के पास तराइन नामक स्थान पर विदेशी आक्रमणकारी मोहम्मद शहाबुद्दीन गौरी के साथ पृथ्वीराज ने पहला युद्ध लड़ा। तराइन के इस पहले युद्ध में मोहम्मद गौरी बुरी तरह घायल हुआ। पृथ्वीराज की सेना ने 80 मील तक इन भागते तुर्कों का पीछा किया। पर तुर्क सेना ने वापस आने की हिम्मत नहीं की। इस तरह चौहान ने गौरी को 17 बार खदेड़ा। राजपूतों की प्रथा है कि वो निहत्थे दुश्मन पर हमला नहीं करते। इसी का फायदा उठाकर गौरी बार-बार बचता गया।

उनके जीवन का एक और पक्ष भी है जिसको उजागर करना अत्यंत आवश्यक है। कन्नौज के राजा जयचंद की पुत्री राजकुमारी संयोगिता से विवाह करना चाहते थे। लेकिन राजा जयचंद इसके विरुद्ध थे। पृथ्वीराज से विवाह ना हो पाए इसलिए राजा जयचंद ने चौहान का द्वारपाल बेश में एक मूर्ति बनवा कर महल के द्वार में ही स्थापित कर दिया। लेकिन राजकुमारी ने बरमाला उस पुतले के गले में ही डाला। चौहान द्वारा राजकुमारी संयोगिता का हरण करके इस प्रकार कन्नौज से ले जाना राजा जयचंद को बुरी तरह कचोट रहा था। वह किसी भी कीमत पर पृथ्वीराज का विध्वंस चाहता था। जयचंद ने राजपूतों के सभी भेद खोल दिए और गौरी की खुल कर मदद की।

भयंकर युद्ध के बाद चौहान तथा राज कवि चंद्र बरदाई को बंदी बना लिया गया। युद्धबंदी के रूप में उसे गौरी के सामने ले जाया गया। जहाँ उसने गौरी को घूर के देखा। गौरी ने उसे आँखें नीची करने के लिए कहा। पृथ्वीराज ने कहा कि "राजपूतों की आँखें केवल मृत्यु के समय नीची होती हैं।" यह सुनते ही गौरी ने सैनिकों को लोहे के गरम सलियों से उसकी आँखें फोड़ने का आदेश दिया। एक बार गौरी ने तीरंदाजी का खेल अपने यहाँ आयोजित करवाया। चंद्र ने गौरी से कहा कि "पृथ्वीराज को शब्दभेदी बाण विद्या का ज्ञान है। वह बिना आँखों के निशाना साध सकता है।" गौरी चंद्र की बातों से प्रभावित हो गया और उसको दरबार में बुलाया गया। वहाँ गौरी ने पृथ्वीराज से उसके तीरंदाजी कौशल को प्रदर्शित करने के लिए कहा।

"चार बांस चौबीस गज, अंगुल अष्ट प्रमाण, ता ऊपर सुल्तान है मत चुको चौहान।"

इस कविता के माध्यम से चंद्रबरदाई ने पृथ्वीराज को यह संकेत दिया कि गौरी कितनी ऊँचाई पर बैठा हुआ है। पृथ्वीराज चौहान ने इस बात का अंदाजा लगाते हुए एक तीर छोड़ा जिसके कारण मोहम्मद गौरी मारा गया। इस घटना के बाद तो मृत्यु निश्चित थी। लेकिन दुश्मन के हाथों मरने से बेहतर था कि खुद ही मर जाएं। इस कारण उन्होंने अपने मित्र पृथ्वीराज को कटारी घोपी और फिर खुद को भी कटारी घोष कर मर गए। इस प्रकार पृथ्वीराज चौहान की मृत्यु हुई। पृथ्वीराज रासो में पृथ्वीराज चौहान की मृत्यु की बातें चंद्र बरदाई के पूत्र जलहण के द्वारा बाद में जोड़ी गईं।

आज प्रज्ञान घूम रहा है चंद्रमा
गर्व से फूला न समा रही है धरती माँ ।
सालों का प्रयत्न रंग लाई है,
आज भारत में फिर से गौरव आई है ।
शिवम के प्रयास को सोमनाथ ने साकार किया,
भारत विश्व दरवार पर मुक्काम हासिल किया ।
प्रज्ञान साझा कर रहा है संदेश,
भारत दक्षिण ध्रुव पर पहुँचकर रचा नया इतिहास ।
बी.एस.एन.एल ने दिया पूरा साथ,
था जो हम पर ईश्वर का हाथ ।
ऐतिहासिक पल हुआ कैमरे में कैद,
पड़ गया चंद्रमा पर प्रज्ञान का छोटा कद ।
तेईस अगस्त में चंद्रमा पर तिरंगा फहराया गया,
उस दिन को राष्ट्रीय अंतरिक्ष दिवस के रूप में ऐलान किया गया ।
चंद्रयान-3 तो शुरुआत है,
इसरो को तो सूरज, मंगल और शुक्र तक जाना है ।

ओड़िशा मन्दिर स्थापत्य कला

ओड़िशा राज्य भारत के पूर्व दिशा में आता है। इससे पहले ओरिसा नाम से पहचाना जाता था और इस राज्य के उत्तर पूर्व में पश्चिम बंगाल, उत्तर में झारखंड, पश्चिम में छत्तीसगढ़, और दक्षिण में आंध्र प्रदेश जैसे बड़े-बड़े राज्य लगते हैं। क्षेत्र की दृष्टि से यह राज्य का स्थान नौवां और जनजाति की संख्या की दृष्टि से भारत में तीसरे नंबर पर है। इस राज्य में कुल 30 जिले हैं। ईसा पूर्व २६१ में जब मौर्य साम्राज्य का सम्राट अशोक ने कौलिंग में जो युद्ध खेला था वह इस लड़ाई से होने वाली हानि से घबरा गए थे और इसीलिए उन्होंने कलिंग की सेना के साथ होने वाले लड़ाई को छोड़ने का फैसला किया था। 1 अप्रैल 1936 को उड़ीसा राज्य की स्थापना की गई थी और यहाँ के ज्यादातर लोग ओड़िया भाषा ही बोलते हैं।

ओड़िशा के त्योहार -इस राज्य में कई सारे त्योहार मनाए जाते हैं। यहाँ का सबसे विशेष त्योहार है भगवान जगन्नाथ की रथ यात्रा, प्रथमास्टमी, दशहरा, रक्षाबंधन आदि। ओड़िशा के मंदिर-यहाँ के पूरी शहर में देश का सबसे प्रसिद्ध मंदिर जगन्नाथ मंदिर स्थित है। यहाँ से थोड़ी दूरी पर ही 13वीं शताब्दी में बनाया हुआ कोणार्क का सूर्य मंदिर है। भुवनेश्वर में स्थित राजा रानी मंदिर, लिंग राज मंदिर आदि उड़ीसा की प्राचीन मंदिरों में से है। ओड़िया यहाँ के अधिकारिक भाषा है पूरे राज्य में इसी भाषा का इस्तेमाल किया जाता है। ओरिया भाषा इंडो आर्यन भाषा मानी जाती है।

ओड़िशा कि संस्कृति-उड़ीसा राज्य का प्रमुख शास्त्रीय नृत्य ओडीसी है। भारत के चार पवित्र धामों में से एक जगन्नाथ धाम पुरी है, 800 वर्ष पुराना मुख्य मंदिर का एक जग प्रसिद्ध महोत्सव यानी यहाँ के जगन्नाथ रथ यात्रा है। इस 10 दिवसीय रथयात्रा महोत्सव की तैयारी अक्षय तृतीया के दिन जगन्नाथ, बलभद्र और सुभद्रा के रथों के निर्माण के साथ ही शुरू हो जाता है भारत के उड़ीसा राज्य में हमें विविधता देखने को मिलता है। उड़ीसा में पूरी तरह कला, संस्कृति, त्योहार भरपूर है।

नाम -उज्ज्वनी दास
कक्षा -आठवीं
ओड़िशा आदर्श विद्यालय शालपडा, आनन्दपुर

Circulation Team:
